

## 2022 Annual Report

### **History & Heritage Board (HHB) and the Annual Report**

The Lynnwood HHB was established on August 10, 2015 (Ordinance No. 3150). Ordinance No. 3150 repealed Ordinance 2445 related to creation of the former Historical Commission which took effect June 1, 2003. Lynnwood Municipal Code Title 2, Chapter 2.30 provides the general organizational and procedural provisions.

The HHB serves as an “advisory body” to the City of Lynnwood. The Board’s duties include advising and making recommendations to the Mayor, City Council, staff and other Boards and Commissions in the City of Lynnwood with regard to historical, cultural, and heritage recognition, promotion and preservation activities of historic sites, buildings, artifacts, and parks; partnering on exhibits, events and operations of Heritage Park and the Interurban Trail; and performing such other duties as the mayor or council may direct.

This Annual Report provides a summary of the HHB’s work during the year, including significant discussion issues, actions and recommendations. It is intended primarily for the Mayor and City Council, but may also be of interest to other commissions, organizations and individuals who may have an interest in history, heritage, and culture.

The Board’s Mission is “Connecting community members to the history and heritage of Lynnwood to build a positive sense of place” by:

- Collaborating with community partners to collect and promote the history and heritage of Lynnwood.
- Recognizing history and heritage sites through signage, markers, historic registry and interpretive information.
- Advocating to preserve nature, parks, sites, buildings, and artifacts, and for City policies and legislations that are informed by an understanding of history and heritage.
